Request to Replace Previously Filed Reports – CRTC 2024-288 and CRTC 2025-2

Dear Secretary General,

On behalf of the Deaf Wireless Canada Consultative Committee (DWCC), I am writing to formally request the replacement of our previously submitted reports for **Broadcasting Notice of Consultation CRTC 2024-288** and **Broadcasting Notice of Consultation CRTC 2025-2**.

Upon review, we have identified that the originally filed PDFs were inadvertently missing two pages. We have since corrected this issue and have attached the complete and accurate versions of both reports for the public record.

We kindly request that the CRTC replace the previously filed versions with the attached corrected versions: **Report for 2024-288 and 2025-2_Revised** to ensure the completeness and accuracy of our submissions. If any further steps are required to facilitate this correction, please advise.

Thank you for your time and attention to this matter. We appreciate the Commission's consideration.

Sincerely,

Jeff Beatty
Chairperson
Deaf Wireless Canada Consultative Committee (DWCC)
