Subject: [BTNC 2025-94-1](#) Call for comments - A new approach for funding public-interest participation in Commission proceedings - **REPLY Comments Corrected Filing Including Appendix D**

Dear Secretary General,

The Deaf Wireless Canada Consultative Committee (DWCC), the Canadian National Society of the Deaf-Blind (CNSDB), and the Deaf-Blind Planning Committee (DBPC) respectfully write to notify the Commission of a technical oversight in our Reply Comments filed on 17 November 2025.

After reviewing the submitted PDF, we discovered that Appendix D: Document Counts & Time Waits was unintentionally omitted from the uploaded version. Appendix D forms part of the evidentiary record for this proceeding and is referenced within the Reply Comments (see p. 31 and p. 82 of the final document). For completeness and accuracy, we are resubmitting the corrected version that includes Appendix D.

Attached please find:

1. DWCC et al. - Corrected Reply Comments (Final, V.3)
Includes Appendix D: Document Counts & Time Waits

We respectfully request that the Commission replace the previously filed version with this corrected filing and accept it as submitted on the record for BTNC 2025-94-1.

The omission was inadvertent, and no other changes have been made to the substance of our Reply Comments.

Please confirm when the corrected version has been added to the public record. Should further clarification be required, DWCC et al. will respond promptly.

Respectfully submitted,

Jeffrey Beatty, Chairperson
Deaf Wireless Canada Consultative Committee (DWCC)

Terri Nolt, Chair
Deaf-Blind Planning Committee (DBPC)

Megan McHugh, President
Canadian National Society of the Deaf-Blind (CNSDB)
